

### Virtual Event Information

All programs are scored under the Open Championship and/or United Scoring System (this based off program's registration for the event).

All balances must be paid in full to participate in virtual event. Submissions will be declined if there is an outstanding balance.

Please make sure shipping address is correct for athlete awards to be shipped out.

Before filming, all teams must present their cover sheet on video before routine beginnings and event password as well (form will be emailed a week prior). Password will be emailed out the beginning of the week of the event.

All video submission must be unedited and be the current routine for the competitive season. Music must be played as well for teams as they perform routine (following USA Cheer music guidelines). A link will be provided to all programs the week of for uploading video submissions. If you have not received the link, please email [ksamuels@ptcheeranddance.com](mailto:ksamuels@ptcheeranddance.com)

The floor must have a clear view and no obstructions of any kind when filming and submitting. No coaches, spectators, and nonperforming athletes are all. Camera must be focused and placed on a surface with no bounce or interference during performance.

All athletes must be in appropriate uniform per Open and/or USASF guideline (practice wear is acceptable).

All videos must be submitted on the assigned competition day at 11:59 PM EST.

All scores will be submitted to all teams by Monday and have 24 hours to reply for accuscore review.

All Final scores and rankings will be sent out the following Tuesday after the event.

Bid announcements will be revealed on the Open Championship bid reveal on Tuesday.  
Link will be provided once it is sent out.
